Photoshop Tutorial For Comic Book Effect - To create a Comic Book Effect in Photoshop we have to mix all sort of filters and blend them together to obtain that well known sketch effect. You can of course use a ...Photoshop tutorial teaching you how to transform a photo into a retro comic book pop art-style drawing. I'm Jesús Ramirez, and I'm here to help learn Adobe Photoshop and Lightroom! The Photoshop Training channel (PTC) has been around since 2012. You will find p...Hi! I am still a bit new to photoshop and one of the first tutorials I ever did was the Horror Hell Demon Tutorial (posted my final product with this comment).
